

Melawana ya Kgwebo ya DynamicMail - Aforika Borwa (ZA) - tn-ZA

Mofuta 1.1. E simolola go dira go tloga ka 2026-05-18.

Melawana eno ya Kgwebo e laola tiriso ya kgwebo ya DynamicMail, DynamicBooks, Data Rooms, Agents, le ditirelo tse di amanang tsa software tse di fiwang ke Eregis, Inc. (Eregis). E dira mo moreking kgotsa moromeding yo o amogelang melawana eno, yo o saenang otara, yo o dirisang ditirelo, kgotsa yo o dirisang ditirelo ka morekisi yo o letleletsweng kgotsa molekane yo o letleletsweng.

Melawana eno ke melawana ya kgwebo e e phasaladitsweng ya DynamicMail bakeng sa locale le naga tse di tlhophilweng. E dirilwe go tswa mo didirisiweng tsa naga tse di tshegeditsweng ke metswedi le pholisi ya sehlahisoa. Ga e bolele e bile ga e supe gore e amogetswe ke moeletsu wa molao wa kwa ntle, ntle le fa kitsiso e e kgethegileng ya kamogelo e kgomareditswe mo tokomane e e phasaladitsweng.

1. Ditirelo

1.1 DynamicMail

DynamicMail e fana ka software ya ditsamaiso tsa kgwebo tsa puisano. Go ya ka leano le le rekilweng le dikarolo tse di kgontshitsweng, DynamicMail e ka tshegetsisa go baakanya, go romela, go amogela, go tsamaisa, go arola, go boloka, go saena, go sobokanya, go ntsha tshedimosetso e e rulagantsweng mo teng ga, le go sala morago dipuisano tsa kgwebo le ditokomane tse di amanang le tsona.

Phano ya DynamicMail, mabokoso a poso, netefatso ya boitsebiso, mosaeno, ditefo, le kgolagano le ditsamaiso tsa puso di tshalosiwa ka mokgwa o o sa kgetheng mofani yo o rileng, ntle le fa pholisi ya bafani ya locale e e dirang e letla ka tshamallalo go bitsa mofani ka leina. Melawana ya phatlalatsa ga e a tshwanela go bitsa kgotsa go solofetsa mofani yo o rileng wa phano, lebokoso la poso, boitsebiso, mosaeno, tefo, kgotsa puso ntle le fa phetolo ya naga le pholisi ya locale di go letla.

Ditirelo ke ditirelo tsa software, automation, ditokomane, mabokoso a poso, billing, bookkeeping, le ditsamaiso tse dingwe tse di amanang. Bareki ba tshwanetse go sekaseka otara, meedi ya leano, ditefiso, makgetho, tshegetso, go khansela, sephiri, tiriso e e amogelesegang, le dipeelo tsa go sebetisa tshedimosetso pele ga ba dirisa ditirelo.

DynamicMail e ka romela dikitsiso ka email, melaetsa ya mo sehlahisoa, dashboard ya akhaonto, melaetsa ya billing, portal ya tshegetso, API kgotsa melaetsa ya webhook, kgotsa dikanale tse dingwe tsa elektroniki tse go dumalanweng ka tsona, ntle le fa molao kgotsa otara e tlhoka mokgwa o mongwe.

1.2 DynamicBooks

DynamicBooks e fana ka dikarolo tsa software tse di thusang bareki go rulaganya di-invoice, ditshupiso tsa tefo, direkoto tsa ditokomane, tshedimosetso ya tshegetso ya bookkeeping, le ditsamaiso tsa tsamaiso ya kgwebo. DynamicBooks ga e tseye sebaka sa maikarabelo a moreki a accounting, lekgetho, molao, audit kgotsa pego e e tlhokiwang ke molao.

Moreki o nna a ikarabella go sekaseka dipholo, go boloka dibuka le direkoto tse di tlhokegang, go dirisa kalafi e e nepagetseng ya lekgetho, go faela dipego tse di tlhokegang, le go bona kgakololo ya botsebi

fa e tlhokega.

DynamicBooks ke software e e thusang go rulaganya le go sebetša direkoto tša kgwebo. Ga e tseye sebaka sa tshekatsheko ya botsebi ya moreki ya molao, lekgetho, accounting, audit, go faela, kgotsa go bega.

DynamicBooks ke tshegetso ya software fela mme ga se kgakololo ya molao, ya lekgetho, ya accounting, ya audit, ya go faela, ya go bega, kgotsa ya botsebi. Bareki ba nna ba ikarabella go sekaseka direkoto, di-invoice, makgetho, difaele, dipego, poloko ya direkoto, le maikarabelo a botsebi.

Bareki ba ikarabella go boloka dibuka, direkoto, ditokomane tša motswedi, di-invoice, dithomelo tša go ntsha tshedimosetso, le di-backup tse di tlhokegang bakeng sa maikarabelo a bone a molao, lekgetho, accounting, le kgwebo.

Bareki ba tshwanetse go sekaseka ditempoleite tša invoice, diseting tša lekgetho, go tshwara ditokomane, dikarolo, le dithomelo tša go ntsha tshedimosetso gore di nne nepagetse pele ba di ikaega ka tsona bakeng sa billing, lekgetho, accounting, kgotsa pego.

Bareki ba tshwanetse go ntsha le go boloka direkoto ka lobaka lo lo tlhokiwang ke molao, bagakolodi ba bone, le ditlhoko tša bone tša kgwebo.

DynamicBooks e ka tshegetsa dithomelo tša go ntsha tshedimosetso le dikgolagano fa di le teng, mme bareki ba nna ba ikarabella mo go romeleng difaele tša semmuso, go faela, le go bega.

1.3 Data Rooms

Data Rooms di fana ka mafelo a a laolwang a ditokomane bakeng sa ditokomane tša kgwebo, matlhakore a a amanang, ditlhopha tša ka fa teng, le batsayakarolo ba kwa ntle ba ba letleletsweng. Data Rooms di ka akaretša ditaolo tša phitlhelelo, thulaganyo ya ditokomane, ditetla, ditiragalo tša audit, le dikarolo tša tirisanommogo.

Moreki o ikarabella go tlhopha badirisi ba ba letleletsweng, go rulaganya phitlhelelo, go sekaseka didirisiwa tse di abelanwang, le go tlosa phitlhelelo fa e sa tlhole e tlhokega.

Data Rooms ke dikarolo tša software tša lefelo la ditokomane. Go nna teng, poloko, ditaolo tša phitlhelelo, dithomelo tša go ntsha audit, le ditetla tša batsayakarolo di ikaegile ka leano le le dirang, otara, phetolo ya naga, le thulaganyo ya moreki.

1.4 Agents

Agents di fana ka ditsamaiso tse di thuswang ke software bakeng sa tshekatsheko ya ditokomane, go arola, extraction, go kwala meralo, go sobokanya, routing, dikgakololo, le ditiro tša tshebetso. Agents di ka dirisa automation le go sebetša go go tshegeditsweng ke AI, mme ga di tseye sebaka sa tshekatsheko ya moreki, kamogelo, katlholo ya botsebi, kgotsa kgakololo ya molao, ya lekgetho, ya accounting, ya tša madi, ya kalafi kgotsa e e laolwang.

Moreki o ikarabella go sekaseka dipholo tša Agent pele a ikaega ka tsona, a di romela, a di saena, a di faela, a di tsenya mo dibukeng, a di duelela, kgotsa a di dirisa mo ditshwetsong tse di laolwang kgotsa tse di nang le kgonego e kgolo ya tshusumetso.

Agents ke dikarolo tša workflow tse di thuswang ke software. Go nna teng ga Agent, ditiro tse di tshegediwa, meedi ya tiriso, ditlhoko tša tshekatsheko ya motho, le go sebetša go go tshegeditsweng ke AI di ikaegile ka leano le le dirang, otara, phetolo ya naga, le thulaganyo ya tirelo.

1.5 Dikherediti tsa Agent

Dikherediti tsa Agent ke dikherediti tsa tiriso ya software tse di abelang phitlhelelo ya dikarolo tse di tshwanelang tsa Agent, go sebetse ga AI, ditsamaiso tsa automation, kgotsa maemo a tiriso. Dikherediti tsa Agent ga se madi, ga se boleng jo bo bolokilweng, ga se di-deposit, ga se madi a a fetisiwang, ga se dibalanse tsa tefo tse di laolwang, kgotsa dibalanse tsa phetiso ya madi. Dikherediti tsa Agent ga di na boleng jwa madi, ga di rekololwe ka madi, ga di fetisiwe ntle le fa go letleletswe ka tshamalalo mo teng ga akhaonto ya moreki, mme di ka fela kgotsa tsa dirisiwa go ya ka leano le le dirang, otara, kgotsa pholisi ya tiriso.

Dikherediti tsa Agent ke dikherediti tsa tiriso ya software tse e seng madi. Ga se madi, ga se boleng jo bo bolokilweng, ga se di-deposit, ga se madi a a fetisiwang, ga se dibalanse tsa tefo tse di laolwang, ga se dibalanse tsa puseletso ya madi, ga se di-wallet, e bile ga se boleng jwa madi jo bo ka rekololwang.

2. Phitlhelelo, Diakhaonto, Le Tsamaiso

Moreki o tshwanetse go fana ka tshedimosetso e e nepagetseng ya akhaonto, billing, lekgetho, le motsamaisi wa akhaonto. Moreki o ikarabella mo tirong yotlhe e e dirwang ka akhaonto ya gagwe, mo go rulaganyeng ditetla tsa badirisi, le mo go netefatseng gore badirisi ba ba letleletsweng ba obamela melawana eno.

Moreki o tshwanetse go sireletsa ditshupo tsa go tsena, dinotlolo tsa dikgolagano, ditetla tsa go saena, dikarolo tsa batsamaisi, le ditsamaiso dingwe le dingwe tse di golaganeng. Moreki o tshwanetse go itsise Eregis ka bonako ka phitlhelelo e e sa letlelelwang, ditshupo tse di senyegileng, tiriso e e belaelwang e e sa siamang, kgotsa ditiragalo tsa tshireletso tse di amang ditirelo.

Phitlhelelo ya dikarolo tsa beta, preview, pilot, integration, reseller, partner, kgotsa API e ka lekanyediwa, ya fetolwa, kgotsa ya gogwa. Otara e e kgethegileng ya karolo, tlaleletso ya go sebetse tshedimosetso, tshaloso ya tirelo, kgotsa tokomane ya tshireletso e a laola fa e ganetsana ka tshamalalo le thempoleite eno.

3. Dikagare tsa Moreki Le Maikarabelo

Moreki o ikarabella mo ditokomaneng tsotlhe, melaetseng, tshedimosetsong ya baamogedi, tshedimosetsong ya moromedi, metadata, di-invoice, ditshupiso tsa tefo, difaele tsa Data Room, inputs tsa Agent, ditaello tsa Agent, le dikagare tse dingwe tse di romelwang mo ditirelong kgotsa tse di tlhagisiwang ka ditirelo.

Moreki o tshwanetse go nna le ditshwanelo tsotlhe, ditumello, dikitsiso, ditetla, le metheo ya semolao e e tlhokegang go dirisa ditirelo, go romela dipuisano, go sebetse tshedimosetso ya motho, go laletsa badirisi, go kopa mesaeno, go boloka direkoto, le go dirisa ditsamaiso tse di golaganeng.

Moreki o tshwanetse go netefatsa gore dipuisano di nepagetse, di molaong, di amana le moamogedi, mme di romelwa ka maikaelelo a kgwebo a a semolao. Moreki ga a tshwanela go dirisa ditirelo go tila dikitsiso tse di tlhokegang, ditshireletso tsa bareki, melao ya phano e e laolwang, maikarabelo a go boloka direkoto, kgotsa melao ya netefatso ya boitsebiso.

4. Tiriso e e Amogelesegang

Moreki ga a tshwanela go dirisa ditirelo go:

- tlola molao, sanctions, ditaolo tsa export, ditaelo tsa kgotlatshekelo, ditaelo tsa balaodi, kgotsa ditshwanelo tsa batho ba boraro;
- romela dikagare tse di seng mo molaong, tse di tsietsang, tse di tshwenyang, tse di tlhoileng, tse di tshosang, tse di kgothaletsang tiriso e e sa siamang, tse di senyang leina, kgotsa tse di tloang ditshwanelo;
- anamisa malware, phishing, didirisiwa tsa go roba ditshupo tsa go tsena, spam, papatso ka bontsi, kgotsa dipuisano tse di sa kopiwang kwa ntle ga leano le le amogetsweng;
- tsena-tsena mo tshireletsong ya tirelo, go nna teng, authentication, meedi ya sekahla, logging, monitoring, kgotsa ditaolo tsa tiriso e e sa siamang;
- dira reverse engineering, scrape, crawl, benchmark ka maikaelelo a kgaisano, rekisa gape ntle le tetla, kgotsa tlhama ditirelo tse di tswang mo platform;
- dirisa Agents kgotsa dikarolo tse di tshegeditsweng ke AI go dira ditshwetso tse di tlhokang katlholo ya botsebi kgotsa e e laolwang ntle le tshekatsheko e e tshwanetseng ya motho;
- upload tshedimosetso e e masisi, e e lekanyeditsweng, kgotsa e e laolwang ntle le fa leano le le dirang, dipeelo tsa go sebetse tshedimosetso, le phetolo ya naga di letla tiriso eo; kgotsa
- dirisa dikherediti tsa Agent ka tsela e e di tlhagisang e le madi, boleng jo bo bolokilweng, di-deposit, madi a a fetisiwang, dibalanse tsa tefo tse di laolwang, kgotsa dibalanse tse di ka rekololwang.

Ga go sepe mo melawaneng eno se se tlosang, se se lekanyetsang, kgotsa se se fetolang ditshwanelo tse di ka se tlosweng, tsa lekanyediwa, kgotsa tsa fetolwa ka fa tlase ga molao wa Aforika Borwa.

DynamicMail e ka kopa tshedimosetso ya boitsebiso, maatla a akhaonto, lekgetho, kgotsa netefatso fela fa e tlhokega bakeng sa ditirelo, tshireletso, billing, kobamelo ya molao, kgotsa workflow e e sekasekilweng.

5. Dikgolagano Le Kgolagano e e Sa Kgetheng Mofani yo o Rileng

Ditirelo di ka dirisana le ditsamaiso tsa batho ba boraro, ditirelo tsa boitsebiso, ditirelo tsa mosaeno, dineteweke tsa mabokoso a poso kgotsa tsa phano, batsamaisi ba ditefo, ditsamaiso tsa accounting, bafani ba cloud, ditsamaiso tsa puso, le infrastructure e e laolwang ke moreki.

Melawana ya phatlalatsa e tshwanetse go tlhalosa dikgolagano tseno ka tiro fela, ntle le fa pholisi ya bafani ya locale e e dirang e letla ka tlhamalalo go bitsa mofani ka leina. Go nna teng, routing, tshwanelelo, diteko tsa boitsebiso, mokgwa wa go saena, mokgwa wa tefo, mokgwa wa phano, kgolagano le ditsamaiso tsa puso, le tlhopho ya mofani di ka farologana go ya ka naga, thulaganyo ya moreki, morekisi, leano, le go ipaakanya ga botegeniki.

Moreki o ikarabella mo diakhaontong, ditetleng, ditumellong, ditefisong, thulaganyong, le maikarabelong a kobamelo bakeng sa ditsamaiso tsa batho ba boraro tse moreki a di tlhophileng. Eregis ga e ikarabelle mo tsamaisong ya motho wa boraro e e kwa ntle ga taolo ya yone, ntle le fa molao o o dirang kgotsa tumelano e e kwadilweng ka tlhamalalo e tlhoka jalo.

6. Ditlhwatlhwa, Ditefo, Makgetho, Le Di-invoice

Moreki o tshwanetse go duela ditefiso tsotlhe, dituelo tsa tiriso, dituelo tsa subscription, dituelo tsa go feta moedi, makgetho, dithoto tsa lekgetho, madi a a tshwarwang, le madi a mangwe a a boletsweng mo otareng e e dirang, tsebe ya ditlhwatlhwa, tumelano ya morekisi, kgotsa invoice.

Ntle le fa otara e e dirang e bolela ka tsela e nngwe, ditefiso ga di akaretse makgetho. Moreki o ikarabella mo makgethong, dithotong tsa lekgetho, dituelo tsa puso, le withholding e e tlhokegang, ntle le makgetho a a ikaegileng ka letseno la Eregis. Fa withholding e tlhokwa ke molao, moreki o tshwanetse go fana ka ditokomane tse di tlhokegang le go duela madi a tlaleletso fa tumelano e tlhoka gross-up kgotsa fa molao wa selegae o go letla.

Di-invoice, dirisiti, dinoto tsa kherediti, dipuseletso tsa madi, dintlha tsa ngodiso ya lekgetho, mekgwa ya tefo, dituelo tsa tefo e e diegileng, ditshwanelo tsa go emisa tirelo, le medikologo ya billing di laolwa ke otara e e dirang le phetolo ya naga. Dituelo tse di ikaegileng ka tiriso di ka romelwa invoice morago ga tiriso. Dikabelo tsa tiriso ya software tse di dueletsweng pele, go akaretsa dikherediti tsa Agent, di ka dirisiwa, tsa fela, kgotsa tsa reset go ya ka se se tlhalositsweng mo leanong le le dirang.

Ditefiso ga di akaretse makgetho ntle le fa otara e bolela ka tsela e nngwe. Bareki ba ikarabella go fana ka tshedimosetso e e nepagetseng ya lekgetho le billing le makgetho a a dirang mo thekong ya bone kgotsa tirisong ya ditirelo.

DynamicMail e ka ntsha di-invoice, di-invoice tsa lekgetho, dirisiti, dinoto tsa kherediti, dinoto tsa debiti, kgotsa ditokiso tsa akhaonto fa go dira. Bareki ba tshwanetse go sekaseka di-invoice ka bonako le go fana ka dintlha tse di nepagetseng tsa billing le lekgetho.

Makgetho a ka ikaega ka lefelo la moreki, maemo a gagwe a lekgetho, setheo se se dirang konteraka, motshi wa invoice, le melao ya lekgetho e e dirang. Bareki ba nna ba ikarabella mo difaeleng tsa bone tsa lekgetho le mo kgakololong ya botsebi.

DynamicMail e ka fana ka dithomelo tsa go ntsha di-invoice, direkoto, kgotsa dikgolagano fa di le teng, mme bareki ba nna ba ikarabella mo dithomelong tse di tlhokegang tsa lekgetho, accounting, le bolaodi.

Dikherediti tsa akhaonto, dikherediti tsa tirelo, le dikherediti tsa tiriso ya software ga se madi, ntle le fa otara e bolela ka tlhamalalo tsela ya semolao ya puseletso ya madi. Ditokiso tsa lekgetho di ka tshwarwa ka thoko ga dikherediti tsa tirelo.

Di-invoice le dirisiti di ka akaretsa: leina la mofani; aterese ya mofani; nomoro ya ngodiso ya VAT ya mofani fa e dira; leina la moamogedi, aterese, le nomoro ya ngodiso ya VAT fa melao ya VAT e e tlhoka; nomoro ya invoice e e latelanang; letlha la invoice; tlhaloso ya dithoto kgotsa ditirelo; palo kgotsa bogolo jwa dithoto kgotsa ditirelo; tuelo, palo ya VAT, le dipaloyotlhe tse di akaretsang VAT kgotsa tse di tlhalositsweng ka thoko, go ya ka fa go dirang.

7. Tshireletso ya Tshedimosetso, Tshireletso, Le Sephiri

Letlhakore lengwe le lengwe le tshwanetse go obamela maikarabelo a a dirang a tshireletso ya tshedimosetso, sephiri, tshireletso, le khunologo ya tshedimosetso. Fa Eregis e sebetse tshedimosetso ya motho bakeng sa moreki, matlhakore a tshwanetse go dirisa tlaleletso e e dirang ya go sebetse tshedimosetso kgotsa dipeelo tse di tshwanang tsa processor.

Moreki o ikarabella mo go nneng mo molaong, go nepagala, go fokotsa tshedimosetso, poloko, ditaolo tsa phitlhelelo, dikitsiso, le ditaelo tsa tshedimosetso ya motho e e romelwang mo ditirelong. Eregis e tshwanetse go boloka dikgato tse di tshwanetseng tsa botegeeniki le tsa thulaganyo bakeng sa ditirelo mme e tshwanetse go sebetisa tshedimosetso ya motho ya moreki go ya ka ditaelo tse di kwadilweng, ntle le fa molao o tlhoka ka tsela e nngwe.

Subprocessors, dikgaolo tsa hosting, mekgwa ya phetiso, dinako tsa poloko, ditokomane tsa tshireletso, le ditshwanelo tsa sephiri tse di kgethegileng tsa naga di tshwanetse go tswa mo didirisiweng tsa motswedi tse di amogetsweng mme di phasaladiwe fela ka selekanyo sa dintlha se se amogetsweng bakeng sa locale. Maina a bafani a ka bewa fela fa pholisi ya mofani wa phatlalatsa ya locale e a letla.

Bareki ba ikarabella mo go nneng mo molaong, go nepagala, dikitsiso, ditetla, go fokotsa tshedimosetso, le ditaelo tsa poloko bakeng sa tshedimosetso ya motho e ba e romelang mo ditirelong kgotsa ba e sebetisang ka ditirelo.

DynamicMail e tla sebetisa tshedimosetso ya motho jaaka go tlhalositswe mo tumelanong, kitsisong ya sephiri, le dipeelong tsa go sebetisa tshedimosetso. Bareki ba tshwanetse go nna le ditshwanelo le dikitsiso tse di tlhokegang go upload, go golaganya, go romela, go amogela, go boloka, go sekaseka, le go laela go sebetisa tshedimosetso ya motho ka ditirelo.

DynamicMail e ka kopa tshedimosetso ya boitsebiso, maatla a akhaonto, lekgetho, kgotsa netefatso fela fa e tlhokega bakeng sa ditirelo, tshireletso, billing, kobamelo ya molao, kgotsa workflow e e sekasekilweng.

Ditirelo di ka akaretsa go sebetisa, go boloka, tshegetso, kgotsa phitlhelelo ya subprocessor kwa ntle ga Aforika Borwa jaaka go tlhalositswe mo tumelanong, kitsisong ya sephiri, dipeelong tsa go sebetisa tshedimosetso, kgotsa otareng.

DynamicMail e ka boloka direkoto ka dinako tse di tlhokegang go fana ka ditirelo, go fitlhelela maikarabelo a molao, lekgetho, accounting, tshireletso, audit, tshegetso, le kganetsano, le go latela ditaelo tsa moreki fa go dira.

Dikopo ka ga tshedimosetso ya motho mo dikagareng tse di laolwang ke moreki di ka tlhoka go lebisiwa kwa moreking, fa dikopo ka ga tshedimosetso ya akhaonto kgotsa billing e e laolwang ke DynamicMail di ka tshwarwa ke DynamicMail ka mokgwa wa yone wa sephiri.

Tshedimosetso ya sephiri e ka dirisiwa fela go dira kgotsa go amogela ditirelo, go sireletsa ditshwanelo, go obamela molao, kgotsa go dirisa ditharabololo. Maikarabelo a sephiri ga a dire mo tshedimosetsong e e leng ya phatlalatsa ntle le tlolo, e e setseng e itsiwe ntle le maikarabelo a sephiri, e e tlhamilweng ka boikemelo, kgotsa e e amogetsweng ka fa molaong go tswa mo mothong wa boraro.

8. Thuo ya Tlhaloganyo Le Feedback

Eregis le ba ba e neileng laesense ba boloka ditshwanelo tsotlhe mo ditirelong, software, ditokomane, ditempoleite, workflows, dimotlolo, meralo, APIs, le botegeeniki jwa platform. Moreki o amogela fela tshwanelo e e lekanyeditsweng ya go dirisa ditirelo ka nako ya subscription le go ya ka melawana eno.

Moreki o boloka ditshwanelo mo dikagareng tsa moreki. Moreki o naya Eregis ditshwanelo tse di tlhokegang go host, go sebetisa, go fetisa, go fetola, go bontsha, go sireletsa, go tshegetsa, go rarabolola mathata, le go tsamaisa dikagare tsa moreki bakeng sa ditirelo le jaaka go letleletswe ka tsela e nngwe ke tumelano.

Feedback e ka dirisiwa ntle le thibelo kgotsa tuelo, ntle le fa tumelano e e kwadilweng e e kgethegileng e bolela ka tsela e nngwe. Feedback ga e a tshwanela go akaretsa tshedimosetso ya sephiri ntle le fa matlhakore a dumalane go e tshwara jaaka sephiri.

9. Tshegetso, Go Nna Teng, Le Diphetogo

Tshegetso, maemo a tirelo, dinako tsa tlhokomelo, dikitsiso tsa ditiragalo, le onboarding di fiwa go ya ka leano le le dirang, otara, dipeelo tsa morekisi, kgotsa tlhaloso ya tirelo.

Eregis e ka tokafatsa, ya fetola, ya emisa nakwana, kgotsa ya fedisa dikarolo fa phetogo e sa fokotse ka tsela e kgolo tirelo e moreki a e rekileng mo nakong e e dirang. Diphetogo tse di kotsi ka tsela e kgolo mo melawaneng eno kgotsa mo boitlamong jwa tirelo e e rekilweng di tshwanetse go itsisiwe go ya ka nako ya kitsiso e e tlhokiwang ke otara e e dirang kgotsa phetolo ya naga.

10. Go Emisa Nakwana

Eregis e ka emisa nakwana phitlhelelo ya ditirelo, dikarolo, dikgolagano, Data Rooms, Agents, go romela, go amogela, go saena, dikarolo tse di amanang le tefo, kgotsa phitlhelelo ya API fa go tlhokega ka tsela e e utlwalang go rarabolola go sa duele, kotsi ya tshireletso, tiriso e e belaelwang e e sa siamang, kotsi ya molao, thibelo ya mofani, botshepegi jwa tirelo, kgotsa tlolo ya melawana eno.

Fa go kgonega ebile go le mo molaong, Eregis e tla naya kitsiso le sebaka sa go rarabolola bothata. Go emisa nakwana ka bonako go ka dira ka mabaka a potlakileng a tshireletso, molao, tiriso e e sa siamang, mofani, kgotsa botshepegi jwa platform.

11. Nako, Phediso, Go Ntsha Direkoto, Le Go Phimola

Melawana eno e simolola fa moreki a e amogela, a saena otara, a simolola go dirisa ditirelo, kgotsa a dirisa ditirelo ka morekisi yo o letleletsweng kgotsa molekane yo o letleletsweng. E tswelela go fitlha e fedisiwa kgotsa e emisediwa ke e mengwe.

Lethakore lengwe le lengwe le ka fedisa go ya ka otara e e dirang, tumelano ya morekisi, phetolo ya naga, kgotsa molao o o tlamang. Eregis e ka fedisa ka ntlha ya tlolo e kgolo, go sa duele, tiriso e e seng mo molaong, kotsi ya tshireletso, thibelo ya mofani, kotsi ya go tlhoka bokgoni jwa go duela, kgotsa go sa tlhole go nna teng ga tirelo fa molao o go letla.

Morago ga phediso, tshwanelo ya moreki ya go dirisa ditirelo e a fela. Go ntsha direkoto, poloko, go phimola, thuso ya phetiso, tshwaro ya di-backup, phitlhelelo ya Data Room, phitlhelelo ya dipholo tsa Agent, le ditlhoko tsa direkoto tse di tlhokiwang ke molao di laolwa ke otara e e dirang, dipeelo tsa go sebetsa tshedimosetso, le phetolo ya naga.

Bareki ba nna ba ikarabella go ntsha le go boloka dikhopi tsa dikitsiso, ditokomane, di-invoice, direkoto, le dipego tse di tlhokegang bakeng sa maikarabelo a bone a molao, lekgetho, accounting, kgotsa tshebetso.

Dikherediti tsa akhaonto, dikherediti tsa tirelo, le dikherediti tsa tiriso ya software ga se madi, ntle le fa otara e bolela ka tlhamalalo tsela ya semolao ya puseletso ya madi. Ditokiso tsa lekgetho di ka tshwarwa ka thoko ga dikherediti tsa tirelo.

12. Ditatolo

Ditirelo ke didirisiwa tsa software. Ga di fane ka kgakololo ya molao, lekgetho, accounting, audit, tsa madi, kalafi, go faela kwa pusong, kgotsa kgakololo ya botsebi e e laolwang. Dipholo tsa DynamicBooks, dipholo tsa Agent, tshedimosetso e e ntshitsweng, dikakaretso, dikakantsho tsa routing, ditshupiso tsa tefo, le dikarolo tsa ditokomane di tlhoka tshekatsheko ya moreki.

Kwa ntle ga se se boletsweng ka tlihamalalo mo tumelanong e e kwadilweng kgotsa se se tlhokiwang ke molao, ditirelo di fiwa ntle le ditiisetso tse di akanyediwang tsa go rekisega, go tshwanela maikaelelo a a rileng, go se tlolo ditshwanelo, tshebetso e e sa kgaotseng, tshebetso e e se nang diphoso, kgotsa go fitlhelela sephetho se se rileng sa molao, lekgetho, accounting, phano, tefo, mosaeno, boitsebiso, kgotsa kgwebo.

13. Boikarabelo

Letlhakore lengwe le lengwe le ikarabella mo ditahlehelong tse di tlhamaletseng tse di bakilweng ke tlolo ya lone, tlhokomologo, boitshwaro jo bo sa siamang ka boomo, tlolo ya sephiri, tlolo ya tshireletso ya tshedimosetso, kgotsa tlolo ya molao, go ya ka dikgatlhanong le meedi e e letleletsweng ke molao o o dirang.

Ga go letlhakore lepe le le ikarabelang mo ditshenyo tse di sa tlihamalalang, tsa kotsi e e tswang mo tiragalong, tse di kgethegileng, tse di latelang, tsa sekai, tsa kotlo, poelo e e latlhegileng, letseno le le latlhegileng, goodwill e e latlhegileng, tshedimosetso e e latlhegileng, kgoreletso ya kgwebo, tirelo e e emisetsang, kgotsa tatlhegelo ya tshono, ntle le fa kgatlha eno e sa letlelelwe ke molao.

Boikarabelo jotlhe jo bo kopaneng jwa Eregis bakeng sa dikopo tse di tswang mo ditirelong kgotsa tse di amanang le tsona bo lekanyeditswe mo moeding wa boikarabelo o o boletsweng mo otareng e e dirang, kgotsa fa go sa bolelwa moedi o o rileng, mo ditefisong tse di duetsweng kgotsa tse di duelwang bakeng sa ditirelo tse di amegileng mo dikgweding tse lesome le bobedi pele ga tiragalo e e bakileng boikarabelo, go ya ka molao o o tlamang, ntle le boikarabelo jo bo ka se lekanyediwang ke molao kgotsa boikarabelo jo bo ntshiwa ka tlihamalalo mo otareng e e dirang kgotsa phetolong ya naga.

14. Go Sireletsa kgatlhanong le Dikopo

Moreki o tshwanetse go femela le go duela ditshenyegelo tsa Eregis kgatlhanong le dikopo tsa batho ba boraro tse di tswang mo dikagareng tsa moreki, ditaello tse di seng mo molaong, tiriso e e sa letlelelwang, tiriso e e sa siamang ya ditirelo, tlolo ya maikarabelo a tiriso e e amogelesegang, tlolo ya ditshwanelo tsa batho ba boraro, kgotsa tiriso ya ditirelo ka go tlola melawana eno.

Eregis e tshwanetse go femela moreki kgatlhanong le dikopo tsa batho ba boraro tse di reng ditirelo tse di sa fetolwang di tlola ditshwanelo tsa thuo ya tlhaloganyo, ntle le fa kopo e tswa mo dikagareng tsa moreki, ditaello tsa moreki, dikgolagano tse di sa tshegediwa, phetolo e e sa letlelelwang, tiriso e e tswelatang morago ga kitsiso, kgotsa tiriso e e kwa ntle ga tumelano.

15. Dikitsiso

Dikitsiso tsa molao di tshwanetse go romelwa kwa 10655 NE 4th St, Suite 630, Bellevue, WA 98004, US le support@dynamicmail.ai, kgotsa kwa atareseng e nngwe ya kitsiso e e phasaladitsweng ke Eregis. Dikitsiso tsa moreki di ka romelwa kwa mong wa akhaonto, motsamaisi, motho wa billing, morekisi, kanale ya kitsiso ya sehlahisoa, kgotsa aterese e e mo otareng e e dirang.

Dikitsiso tsa elektroniki di letleletswe fa molao le phetolo ya naga di go letla. Moreki o tshwanetse go boloka dintlha tsa motsamaisi, billing, lekgetho, le kitsiso di le tsa jaanong.

16. Kabo, Barekisi, Le Dikhamphani tse di Amanang

Moreki ga a ka ke a fetisetsa tumelano kwa go mongwe ntle le tumello e e kwadilweng pele, ntle le jaaka molao o o tlamang o letla. Eregis e ka fetisetsa tumelano kwa khamphaning e e amanang le yone kgotsa motlhatlhami mabapi le merger, go rulaganya sesha, thekiso ya dithoto, kgotsa phetogo ya taolo.

Fa moreki a reka ka morekisi kgotsa molekane, dipeelo tsa kgwebo tse di jaaka tefo, go otara, ntšhwafatso, le tshegetso di ka tshwarwa ke morekisi kgotsa molekane yoo. Tiriso ya sehlahisoa, tiriso e e amogelesegang, tshireletso ya tshedimosetso, go se kgethe mofani yo o rileng, dikherediti tsa Agent, le maikarabelo a tshireletso ya platform di tswelela go dira mo tirisong ya moreki ya ditirelo.

17. Molao o o Laolang Le Dikganetsano

Melawana eno e laolwa ke molao o o supilweng mo otareng e e dirang le molao o o tlamang o o dirang mo Aforika Borwa, ntle le go leba melao ya conflict-of-law ntle le fa molao o o tlamang o tlhoka ka tsela e nngwe.

Dikganetsano di tshwanetse go rarabololwa mo foramong, lefelong, tsamaisong ya arbitration, tsamaisong ya molaodi, kgotsa kgotlatshekelo e e boletsweng mo otareng e e dirang, kgotsa foramo e nngwe e e tlhokiwang ke molao o o tlamang, ntle le fa otara e e dirang, tumelano ya morekisi, molao o o tlamang, kgotsa phetolo ya naga e tlhoka foramo e nngwe, lefelo le lengwe, tsamaiso ya tshireletso ya moreki kgotsa ya kgwebo e nnye, tsamaiso ya molaodi, tsela ya thuso ya injunction, kgotsa molao wa arbitration.

18. Diphetolo tsa Naga

Diphetolo tsa naga di tlatsa kgotsa di emisetsa thempoleite ya lefatshe lotlhe fela go fitlha mo selekanyong se se tlhokiwang ke molao wa selegae o o tshegeditsweng ke metswedi, tshenolo e e tlamang, mokgwa wa kgwebo, kgotsa go nna teng ga sehlahisoa go go amogetsweng.

Ditshenolo tse di Tlhokegang

DynamicMail e ka kopa bareki go fana ka tshedimosetso e e nepagetseng ya semolao, akhaonto, motsamaisi, billing, lekgetho, le tiriso ya tirelo e e tlhokegang go fana ka ditirelo, go ntsha di-invoice, go tsamaisa tshegetso, le go obamela ditlhoko tse di dirang.

Go Dira Ditumelano ka Elektroniki

Moreki o amogela tumelano ka otara e e saennweng, kamogelo ya inthanete, tsamaiso ya akhaonto, kgotsa tiriso ya ditirelo morago ga gore melawana e dirwe gore e nne teng, fa molao o go letla.

Mesaeno ya Elektroniki Le Direkoto

Dikamogelo le mesaeno ya elektroniki di ka dirisiwa fa molao le workflow e e dirang di go letla. Ditokomane kgotsa dikitsiso dingwe di ka tlhoka dikgato tse dingwe tsa boitsebiso, mosaeno, phano, kgotsa tshekatsheko ya molao.

Tshireletso ya Tshedimisetso

DynamicMail e tla sebetsa tshedimisetso ya motho jaaka go tlhalositswe mo tumelanong, kitsisong ya sephiri, le dipeelong tsa go sebetsa tshedimisetso. Bareki ba tshwanetse go nna le ditshwanelo le dikitsiso tse di tlhokegang go upload, go golaganya, go romela, go amogela, go boloka, go sekaseka, le go laela go sebetsa tshedimisetso ya motho ka ditirelo.

Tshedimisetso e e Masisi

DynamicMail e ka kopa tshedimisetso ya boitsebiso, maatla a akhaonto, lekgetho, kgotsa netefatso fela fa e tlhokega bakeng sa ditirelo, tshireletso, billing, kobamelo ya molao, kgotsa workflow e e sekasekilweng.

Di-invoice Le Lekgetho

DynamicMail e ka ntsha di-invoice, di-invoice tsa lekgetho, dirisiti, dinoto tsa kherediti, dinoto tsa debiti, kgotsa ditokiso tsa akhaonto fa go dira. Bareki ba tshwanetse go sekaseka di-invoice ka bonako le go fana ka dintlha tse di nepagetseng tsa billing le lekgetho.

DynamicBooks

DynamicBooks ke tshegetso ya software fela mme ga se kgakololo ya molao, ya lekgetho, ya accounting, ya audit, ya go faela, ya go bega, kgotsa ya botsebi. Bareki ba nna ba ikarabella go sekaseka direkoto, di-invoice, makgetho, difaele, dipego, poloko ya direkoto, le maikarabelo a botsebi.

Dikherediti tsa Agent

Dikherediti tsa Agent ke dikherediti tsa tiriso ya software tse e seng madi. Ga se madi, ga se boleng jo bo bolokilweng, ga se di-deposit, ga se madi a a fetisiwang, ga se dibalanse tsa tefo tse di laolwang, ga se dibalanse tsa puseletso ya madi, ga se di-wallet, e bile ga se boleng jwa madi jo bo ka rekololwang.

Ditshwanelo tse di Tlamang

Ga go sepe mo melawaneng eno se se tlosang, se se lekanyetsang, kgotsa se se fetolang ditshwanelo tse di ka se tlosiweng, tsa lekanyediwa, kgotsa tsa fetolwa ka fa tlase ga molao wa Aforika Borwa.
