

Imigaqo Yorhwebo ye-DynamicMail - uMzantsi Afrika (ZA) - xh-ZA

Inguqulelo 1.1. Isebenza ukususela ngo-2026-05-18.

Le Migaqo Yorhwebo ilawula ukusetyenziswa kwezorhwebo kwe-DynamicMail, DynamicBooks, Data Rooms, Agents, kunye neenkonzo zesoftware ezinxulumene nazo ezinikezelwa yi-Eregis, Inc. (Eregis). Isebenza kumthengi okanye kumthumeli owamkela le migaqo, osayina iodolo, osebenzisa iinkonzo, okanye osebenzisa iinkonzo ngomthengisi ogunyazisiweyo okanye iqabane.

Le migaqo yimigaqo yorhwebo epapashiweyo ye-DynamicMail yelokhali nelizwe elikhethiweyo. Iveliswe kwizinto zelizwe ezixhaswe yimithombo kunye nomgaqo-nkqubo wemveliso. Ayithethi kwaye ayibonisi ukuba ivunyiwe ngumcebisi wezomthetho wangaphandle, ngaphandle kokuba isaziso esahlukileyo sokuvunywa sincanyathiselwe kwi-asethi epapashiweyo.

1. Iinkonzo

1.1 DynamicMail

DynamicMail ibonelela ngesoftware yeenkqubo zonxibelelwano lwezorhwebo. Ngokuxhomekeke kwisicwangciso esithengiweyo kunye neempawu ezivuliweyo, DynamicMail inokuxhasa ukulungiselela, ukuthumela, ukufumana, ukuhambisa ngendlela efanelekileyo, ukuhlula, ukugcina, ukusayina, ukushwankathela, ukukhupha idatha enesakhiwo, kunye nokulandelela unxibelelwano lwezorhwebo namaxwebhu anxulumene nalo.

Ukuhanjiswa kwe-DynamicMail, iibhokisi zeposi, ukuqinisekiswa kwesazisi, utyikityo, intlawulo, kunye nokunxibelelana neenkqubo zikarhulumente kuchazwa ngendlela engathathi cala kumboneleli othile, ngaphandle kokuba umgaqo-nkqubo womboneleli wale locale uvumela ngokucacileyo amagama ababoneleli. Imigaqo yoluntu ayimele ikhankanye okanye ithembise umboneleli othile wokuhambisa, webhokisi yeposi, wesazisi, wotyikityo, wentlawulo, okanye karhulumente ngaphandle kokuba ukwahluka kwelizwe kunye nomgaqo-nkqubo we-locale kuyakuvumela oko.

Iinkonzo ziyisoftware, automation, amaxwebhu, iibhokisi zeposi, billing, bookkeeping, kunye neenkonzo ze-workflow ezinxulumene noko. Abathengi kufuneka baphonononge iodolo, imida yesicwangciso, iimali, iirhafu, inkxaso, ukurhoxisa, imfihlo, imigaqo yokusetyenziswa okuvumelekileyo, kunye nemigaqo yokusetyenzwa kwedatha phambi kokusebenzisa iinkonzo.

DynamicMail inokuthumela izaziso nge-imeyili, imiyalezo engaphakathi kwimveliso, idashboard yeakhawunti, imiyalezo ye-billing, ipothali yenkxaso, imiyalezo ye-API okanye ye-webhook, okanye amanye amajelo e-elektroniki ekuvunyelwene ngawo, ngaphandle kokuba umthetho okanye iodolo ifuna indlela eyahlukileyo.

1.2 DynamicBooks

DynamicBooks ibonelela ngeempawu zesoftware ezinciphisa umsebenzi wokuhlala ii-invoyisi, izalathiso zentlawulo, iirekhodi zamaxwebhu, idatha yenkxaso ye-bookkeeping, kunye neenkqubo zolawulo lweshishini. DynamicBooks ayithathi indawo yoxanduva lomthengi lwe-accounting, irhafu, umthetho, i-audit, okanye ingxelo efunwa ngumthetho.

Umthengi usala enoxanduva lokuphonononga iziphumo, ukugcina iincwadi neerekhodi ezifunekayo, ukusebenzisa unyango lwerhafu oluchanekileyo, ukufaka iingxelo ezifunekayo, kunye nokufumana ingcebiso yobungcali apho kufuneka khona.

DynamicBooks yisoftware enceda ukuhlela nokusetyenzwa kweerekhodi zeshishini. Ayithathi indawo yophononongo lobungcali lomthengi kwezomthetho, irhafu, accounting, audit, filing, okanye reporting.

DynamicBooks yinkxaso yesoftware kuphela kwaye ayiyongcebiso yezomthetho, yerhafu, ye-accounting, ye-audit, ye-filing, ye-reporting, okanye yobungcali. Abathengi basala benoxanduva lokuphonononga iirekhodi, ii-invoyisi, iirhafu, ii-filings, iingxelo, ukugcinwa kweerekhodi, kunye nezibophelelo zobungcali.

Abathengi banoxanduva lokugcina iincwadi, iirekhodi, amaxwebhu omthombo, ii-invoyisi, ii-exports, kunye nee-backups ezifunekayo kwizibophelelo zabo zomthetho, zerhafu, ze-accounting, nezeshishini.

Abathengi kufuneka baphonononge i-template ze-invoyisi, useto lwerhafu, ukubanjwa kwamaxwebhu, izahlulo, kunye nee-exports ukuze baqinisekise ukuchaneka phambi kokuzisebenzisa kwi-billing, irhafu, accounting, okanye reporting.

Abathengi kufuneka bakhuphe baze bagcine iirekhodi ixesha elide njengoko kufunwa ngumthetho, ngabacebisi babo, kunye neemfuno zabo zeshishini.

DynamicBooks inokuxhasa ii-exports kunye nodibaniso apho lukhona, kodwa abathengi basala benoxanduva lwazo nazihi na izingeniso ezisemthethweni, ii-filings, kunye nengxelo.

1.3 Data Rooms

Data Rooms zibonelela ngeendawo zamaxwebhu ezilawulwayo zamaxwebhu eshishini, amaqela asebenzisana nawo, amaqela angaphakathi, kunye nabathathi-nxaxheba bangaphandle abagunyazisiweyo. Data Rooms zinokubandakanya ulawulo lokufikelela, ukuhlelwa kwamaxwebhu, iimvume, iziganeko ze-audit, kunye neemfuno zentsebenziswano.

Umthengi unoxanduva lokukhetha abasebenzisi abagunyazisiweyo, ukuseta ukufikelela, ukuphonononga izinto ekwabelwana ngazo, kunye nokususa ukufikelela xa kungasafuneki.

Data Rooms ziimpawu zesoftware yendawo yamaxwebhu. Ukufumaneka, ukugcinwa, ulawulo lokufikelela, ii-audit exports, kunye neemvume zabathathi-nxaxheba zixhomekeke kwisicwangciso esisebenzayo, iodolo, ukwahluka kwelizwe, kunye noseto lomthengi.

1.4 Agents

Agents zibonelela ngee-workflows ezixhaswa yisoftware zokuphonononga amaxwebhu, ukuhlula, ukukhupha idatha, ukudrafta, ukushwankathela, ukuhambisa ngendlela efanelekileyo, izikhumbuzi, kunye nemisebenzi yokusebenza. Agents zinokusebenzisa automation kunye nokusetyenzwa okuxhaswa yi-AI, kodwa azithathi indawo yophononongo lomthengi, ukuvuma, isigwebo sobungcali, okanye ingcebiso yezomthetho, yerhafu, ye-accounting, yezemali, yezonyango, okanye elawulwayo.

Umthengi unoxanduva lokuphonononga iziphumo ze-Agent phambi kokuxhomekeka kuzo, ukuzithumela, ukuzisayina, ukuzifaka, ukuzibhukisha, ukuzihlawula, okanye ukuzisebenzisa kwizigqibo ezilawulwayo okanye ezinefuthe eliphezulu.

Agents ziimpawu ze-workflow ezixhaswa yisoftware. Ukufumaneka kwe-Agent, imisebenzi exhaswayo, imida yokusetyenziswa, iimfuno zophononongo lomntu, kunye nokusetyenzwa okuxhaswa yi-AI zixhomekeke kwisicwangciso esisebenzayo, iodolo, ukwahluka kwelizwe, kunye noseto lwenkonzo.

1.5 likhredithi ze-Agent

likhredithi ze-Agent ziikhredithi zokusetyenziswa kwesoftware ezingeyomali ezabela ukufikelela kwiimpawu ezifanelekileyo ze-Agent, ukusetyenzwa kwe-AI, ii-runs ze-automation, okanye amaqanaba okusetyenziswa. Ikhredithi ze-Agent aziyomali, aziloxabiso eligciniweyo, azizizo iidipozithi, azizizo iimali ezinokudluliselwa, azizizo iibhalansi zentlawulo ezilawulwayo, kwaye azizizo iibhalansi zokudluliselwa kwemali. Ikhredithi ze-Agent azinalo ixabiso lemali, azinakukhululwa zibe yimali, azinakudluliselwa ngaphandle kokuba kuvunyelwe ngokucacileyo ngaphakathi kweakhawunti yomthengi, kwaye zinokuphelelwa okanye zisetyenziswe ngokwesicwangciso, iodolo, okanye umgaqo-nkqubo wokusetyenziswa osebenzayo.

likhredithi ze-Agent ziikhredithi zokusetyenziswa kwesoftware ezingeyomali. Aziyomali, aziloxabiso eligciniweyo, azizizo iidipozithi, azizizo iimali ezinokudluliselwa, azizizo iibhalansi zentlawulo ezilawulwayo, azizizo iibhalansi zokubuyiselwa kwemali, azizizo ii-wallet, azizizo i-e-money, azizizo iikhawunti zentlawulo, azizizo iibhalansi zokudluliselwa kwemali, azilingani nemali, kwaye azinakukhutshwa zibe yimali.

2. Ukufikelela, iikhawunti nolawulo

Umthengi kufuneka anike ulwazi oluchanekileyo lweakhawunti, billing, irhafu, nolomlawuli weakhawunti. Umthengi unoxanduva lwawo wonke umsebenzi phantsi kweakhawunti yakhe, lokuseta iimvume zabasebenzisi, kunye nokuqinisekisa ukuba abasebenzisi abagunyazisiweyo bayayithobela le migaqo.

Umthengi kufuneka akhusele iinkcukacha zokungena, izitshixo zodibaniso, iimvume zokusayina, iindima zomlawuli weakhawunti, kunye naziphi na iinkqubo ezidityanisiweyo. Umthengi kufuneka axelele Eregis ngokukhawuleza ngokufikelela okungagunyaziswanga, iinkcukacha zokungena ezichaphazelekileyo, ukusetyenziswa gwenxa okukrokelwayo, okanye iziganeko zokhuseleko ezichaphazela iinkonzo.

Ukufikelela kwiimpawu ze-beta, preview, pilot, integration, reseller, partner, okanye API kunganqunyanyiswa, kutshintshwe, okanye kurhoxiswe. Nayiphi na iodolo ekhethekileyo yempawu, isongezelelo sokusetyenzwa kwedatha, inkcazelo yenkonzo, okanye isihlomelo sokhuseleko iyalawula ukuba ingqubana ngokucacileyo nale template.

3. Umxholo womthengi noxanduva

Umthengi unoxanduva lwawo onke amaxwebhu, imiyalezo, idatha yabamkeli, idatha yomthumeli, metadata, ii-invoyisi, izalathiso zentlawulo, iifayile ze-Data Room, izinto ezifakwa kwi-Agent, imiyalelo ye-Agent, kunye nomnye umxholo ongeniswe okanye oveliswe ngeenkonzo.

Umthengi kufuneka abe nawo onke amalungelo, iimvume, izaziso, ugunyaziso, kunye neziseko ezisemthethweni ezifunekayo ukusebenzisa iinkonzo, ukuthumela unxibelelwano, ukusetyenzwa kolwazi lomntu, ukumema abasebenzisi, ukucela utyikityo, ukugcina iirekhodi, kunye nokusebenzisa iinkqubo ezidityanisiweyo.

Umthengi kufuneka aqinisekise ukuba unxibelelwano luchanekile, lusemthethweni, lufanelekile kummkeli, kwaye luthunyelwa ngenjongo esemthethweni yoshishino. Umthengi akamele asebenzise iinkonzo ukuphepha izaziso ezifunekayo, ukhuseleko lwabathengi, imithetho elawulwayo yokuhambisa, imisebenzi yokugcina iirekhodi, okanye imithetho yokuqinisekisa isazisi.

4. Ukusetyenziswa okuvumelekileyo

Umthengi akamele asebenzise iinkonzo ukwenza oku:

- ukwaphula umthetho, izohlwayo, ulawulo lokuthumela ngaphandle, imiyalelo yenkundla, imiyalelo yolawulo, okanye amalungelo amaqela esithathu;
- ukuthumela umxholo ongekho mthethweni, okhohlisayo, oxhaphazayo, onentiyo, osongelayo, oxhaphazayo, owonakalisa igama, okanye owaphula amalungelo;
- ukusasaza i-malware, phishing, izinto zokuqokelela iinkcukacha zokungena, spam, intengiso ngobuninzi, okanye unxibelelwano olungacelwanga ngaphandle kwesicwangciso esivunyiweyo;
- ukuphazamisa ukhuseleko lwenkonzo, ukufumaneka, authentication, imida yezinga, logging, monitoring, okanye ulawulo lokusetyenziswa gwenxa;
- ukwenza reverse engineering, scraping, crawling, benchmarking ngenjongo yokhuphiswano, ukuthengisa kwakhona ngaphandle kogunyaziso, okanye ukudala iinkonzo ezivela kwiplatform;
- ukusebenzisa Agents okanye iimpawu ezixhaswa yi-AI ukwenza izigqibo ezifuna isigwebo sobungcali okanye esilawulwayo ngaphandle kophononongo lomntu olufanelekileyo;
- ukulayisha idatha ebuthathaka, ethintelweyo, okanye elawulwayo ngaphandle kokuba isicwangciso esisebenzayo, imigaqo yokusetyenzwa kwedatha, kunye nokwahluka kwelizwe kuvumela olo setyenziso; okanye
- ukusebenzisa iikhredithi ze-Agent ngendlela ezibonisa njengemali, ixabiso eligciniweyo, iidipozithi, iimali ezinokudluliselwa, iibhalansi zentlawulo ezilawulwayo, okanye iibhalansi ezinokukhululwa.

Akukho nto kule migaqo ekhupha, enciphisa, okanye etshintsha amalungelo angenakukhutshelwa ngaphandle, angenakuncitshiswa, okanye angenakuguqulwa phantsi komthetho woMzantsi Afrika.

DynamicMail inokucela ulwazi lwesazisi, igunya leakhawunti, irhafu, okanye uqinisekiso kuphela apho lufuneka kwiinkonzo, ukhuseleko, billing, ukuthotyelwa komthetho, okanye i-workflow ephononongiweyo.

5. Uhlanganiso nokunxibelelana okungathathi cala kumboneleli othile

Iinkonzo zinokusebenzisana neenkqubo zamaqela esithathu, iinkonzo zesazisi, iinkonzo zotyikityo, uthungelwano lweebhokisi zeposi okanye lokuhambisa, abaqhubekekisi beentlawulo, iinkqubo ze-accounting, ababoneleli be-cloud, iinkqubo zikarhulumente, kunye neziseko ezingundoqo ezilawulwa ngumthengi.

Imigaqo yoluntu kufuneka ichaze olu hlanganiso ngomsebenzi kuphela, ngaphandle kokuba umgaqo-nkqubo womboneleli wale locale uvumela ngokucacileyo amagama ababoneleli. Ukufumaneka, routing, ukufaneleka, uvavanyo lwesazisi, indlela yokusayina, indlela yentlawulo, indlela yokuhambisa, ukunxibelelana neenkqubo zikarhulumente, kunye nokukhethwa komboneleli kunokwahluka ngokwelizwe, useto lomthengi, umthengisi, isicwangciso, kunye nokulungela kobugcisa.

Umthengi unoxanduva lweekhawunti, iimvume, izivumelwano, iimali, useto, kunye nezibophelelo zokuthotyelwa ezinxulumene neenkqubo zamaqela esithathu ezikhethwe ngumthengi. Eregis ayinoxanduva lwenkqubo yeqela lesithathu engaphandle kolawulo lwayo, ngaphandle koko kufunwa ngumthetho osebenzayo okanye sisivumelwano esibhaliweyo esicacileyo.

6. Amaxabiso, iintlawulo, iirhafu nee-invoyisi

Umthengi kufuneka ahlawule zonke iimali, iintlawulo zokusetyenziswa, iintlawulo zobhaliso, iintlawulo zokudlula imida, iirhafu, imisebenzi, izixa zokubamba irhafu, kunye nezinye izixa ezichazwe kwi-odolo esebenzayo, iphepha lamaxabiso, isivumelwano somthengisi, okanye i-invoyisi.

Ngaphandle kokuba iodolo esebenzayo ithetha ngenye indlela, iimali azibandakanyi iirhafu. Umthengi unoxanduva lwerhafu, imisebenzi, iintlawulo zikarhulumente, kunye nokubamba okufunekayo, ngaphandle kweerhafu ezisekelwe kwingeniso ye-Eregis. Ukuba ukubamba kufunwa ngumthetho, umthengi kufuneka anike amaxwebhu afunekayo aze ahlawule izixa ezongezelelweyo apho isivumelwano sifuna i-gross-up okanye apho umthetho wendawo ukuvumela oko.

Ii-invoyisi, iirisithi, amanqaku ekhredithi, ukubuyiselwa kwemali, iinkcukacha zobhaliso lwerhafu, iindlela zentlawulo, iintlawulo zokulibaziseka, amalungelo okunqunyanyiswa, kunye nemijikelo ye-billing zilawulwa yi-odolo esebenzayo kunye nokwahluka kwelizwe. Iintlawulo ezisekelwe kusetyenziso zinokubizwa emva kokusetyenziswa. Izabelo zokusetyenziswa kwesoftware ezihlawulwe kwangaphambili, kubandakanywa iikhredithi ze-Agent, zinokusetyenziswa, ziphelelwe, okanye zisetyenzwe kwakhona njengoko kuchazwe kwisicwangciso esisebenzayo.

Iimali azibandakanyi iirhafu ngaphandle kokuba iodolo ithetha ngenye indlela. Abathengi banoxanduva lokunika ulwazi oluchanekileyo lwerhafu ne-billing kunye neerhafu ezisebenza ekuthengeni okanye ekusebenziseni kwabo iinkonzo.

DynamicMail inokukhupha ii-invoyisi, ii-invoyisi zerhafu, iirisithi, amanqaku ekhredithi, amanqaku edebithi, okanye ukulungiswa kweakhawunti apho kufanelekile. Abathengi kufuneka baphonononge ii-invoyisi ngokukhawuleza baze banike iinkcukacha ezichanekileyo ze-billing nerhafu.

Iirhafu zinokuxhomekeka kwindawo yomthengi, isimo serhafu, iziko elingena kwisivumelwano, okhupha i-invoyisi, kunye nemithetho yerhafu esebenzayo. Abathengi basala benoxanduva lwee-filings zabo zerhafu kunye nengcebiso yobungcali.

DynamicMail inokubonelela ngee-exports zee-invoyisi, iirekhodi, okanye uhlanganiso apho lukhona, kodwa abathengi basala benoxanduva lwerhafu efunekayo, accounting, kunye nezingeniso kumagunya.

Iikhredithi zeakhawunti, iikhredithi zenkonzo, kunye neekhredithi zokusetyenziswa kwesoftware aziyomali ngaphandle kokuba iodolo ichaza ngokucacileyo indlela esemthethweni yokubuyiselwa kwemali. Ukulungiswa kwerhafu kungaphathwa ngokwahlukeneyo kwiikhredithi zenkonzo.

Ii-invoyisi neerisithi zinokubandakanya: igama lomnikezeli; idilesi yomnikezeli; inombolo yobhaliso lwe-VAT yomnikezeli apho ifanelekile; igama lomamkeli, idilesi, kunye nenombolo yobhaliso lwe-VAT apho kufunwa yimithetho ye-VAT; inombolo ye-invoyisi elandelelanayo; umhla we-invoyisi; inkcazelo yeempahla okanye iinkonzo; ubungakanani okanye umlinganiselo weempahla okanye iinkonzo; ixabiso, isixa se-VAT, kunye neetotali ezibandakanya i-VAT okanye ezichazwe ngokwahlukeneyo njengoko kufanelekile.

7. Ukhuseleko lwedatha, ukhuseleko lwenkonzo nemfihlo

Iqela ngalinye kufuneka lithobele izibophelelo ezisebenzayo zokhuseleko lwedatha, imfihlo, ukhuseleko, kunye nokugcina ulwazi luyimfihlo. Xa Eregis isetyenzwa kolwazi lomntu egameni lomthengi, amaqela

kufuneka asebenzise isongezelelo sokusetyenzwa kwedatha esisebenzayo okanye imigaqo elinganayo yomprosesa.

Umthengi unoxanduva lokuba semthethweni, ukuchaneka, ukunciphisa idatha, ukugcinwa, ulawulo lokufikelela, izaziso, kunye nemiyalelo yolwazi lomntu olungeniswe kwiinkonzo. Eregis kufuneka igcine amanyathelo afanelekileyo obugcisa nawolawulo kwiinkonzo kwaye isetyenzwe ulwazi lomntu lomthengi ngokwemiyalelo ebhaliweyo, ngaphandle kokuba umthetho ufuna ngenye indlela.

Abaprosesa abangaphantsi, imimandla yokubamba idatha, iindlela zokudlulisa, amaxesha okugcinwa, izihlomelo zokhuseleko, kunye namalungelo emfihlo akhethekileyo elizwe kufuneka athathwe kwizinto zomthombo ezivunyiweyo kwaye apapashwe kuphela kwinqanaba lenkcukacha elivunyiweyo le-locale. Amagama ababoneleli anokudweliswa kuphela apho umgaqo-nkqubo womboneleli woluntu we-locale uwavumela.

Abathengi banoxanduva lokuba semthethweni, ukuchaneka, izaziso, iimvume, ukunciphisa idatha, kunye nemiyalelo yokugcinwa kolwazi lomntu abalungenisayo okanye abalusebenzisa ngeenkonzo.

DynamicMail iza kusetyenzwa ulwazi lomntu njengoko kuchazwe kwisivumelwano, kwisaziso semfihlo, nakwimigaqo yokusetyenzwa kwedatha. Abathengi kufuneka babe namalungelo nezaziso ezifunekayo ukulayisha, ukudibanisa, ukuthumela, ukufumana, ukugcina, ukuhlalutya, kunye nokuyalela ukusetyenzwa kolwazi lomntu ngeenkonzo.

DynamicMail inokucela ulwazi lwesazisi, igunya leakhawunti, irhafu, okanye uqinisekiso kuphela apho lufuneka kwiinkonzo, ukhuseleko, billing, ukuthotyelwa komthetho, okanye i-workflow ephononongiweyo.

Iinkonzo zinokubandakanya ukusetyenzwa, ukugcinwa, inkxaso, okanye ukufikelela kwabaprosesa abangaphantsi ngaphandle koMzantsi Afrika njengoko kuchazwe kwisivumelwano, kwisaziso semfihlo, kwimigaqo yokusetyenzwa kwedatha, okanye kwi-odolo.

DynamicMail inokugcina iirekhodi ixesha elifunekayo ukubonelela ngeenkonzo, ukuhlangabezana nezibophelelo zomthetho, zerhafu, ze-accounting, zokhuseleko, ze-audit, zenkxaso, nezengxabano, kunye nokulandela imiyalelo yomthengi apho kufanelekile.

Izicelo malunga nolwazi lomntu kumxholo olawulwa ngumthengi zingadinga ukuhanjiswa kumthengi, ngelixa izicelo malunga nolwazi lweakhawunti okanye lwe-billing olulawulwa yi-DynamicMail zinokuphathwa yi-DynamicMail phantsi kwenkqubo yayo yemfihlo.

Ulwazi oluyimfihlo lunokusetyenziswa kuphela ukwenza okanye ukufumana iinkonzo, ukukhusela amalungelo, ukuthobela umthetho, okanye ukusebenzisa amayeza asemthethweni. Izibophelelo zemfihlo azisebenzi kulwazi olusekheni ngaphandle kokwaphula, olwalusaziwa ngaphambili ngaphandle koxanduva lwemfihlo, oluphuhlise ngokuzimeleyo, okanye olufunyenwe ngokusemthethweni kwiqela lesithathu.

8. Ipropathi yengqondo nengxelo

Eregis kunye nabaniki-layisensi bayo bagcina onke amalungelo kwiinkonzo, isoftware, amaxwebhu, iitemplate, ii-workflows, iimodeli, uyilo, ii-APIs, kunye nobuchwepheshe beplatform. Umthengi ufumana kuphela ilungelo elilinganiselweyo lokusebenzisa iinkonzo ngexesha lobhaliso nangokwale migaqo.

Umthengi ugcina amalungelo kumxholo womthengi. Umthengi unika Eregis amalungelo afunekayo ukubamba, ukusetyenzwa, ukudlulisa, ukuguqula, ukubonisa, ukukhusela, ukuxhasa, ukulungisa iingxaki, kunye nokuqhuba umxholo womthengi kwiinkonzo nangendlela evunyelwe sisivumelwano.

Ingxelo ingasetyenziswa ngaphandle komda okanye imbuyekezo ngaphandle kokuba isivumelwano esibhaliweyo esahlukileyo sithetha ngenye indlela. Ingxelo akumele ibandakanye ulwazi oluyimfihlo ngaphandle kokuba amaqela avumile ukuyiphatha njengemfihlo.

9. Inxaso, ukufumaneka notshintsho

Inxaso, amaqanaba enkonzo, amaxesha olondolozo, izaziso zeziganeko, kunye ne-onboarding zibonelelwa ngokwesicwangciso esisebenzayo, iodolo, imigaqo yomthengisi, okanye inkcazelo yenkonzo.

Eregis inokuphucula, iguqule, inqumamise, okanye iyeke iimpawu apho olo tshintsho lunganciphisi ngokubonakalayo inkonzo ethengiweyo yomthengi ngexesha elisebenzayo. Utshintsho olubi olubalulekileyo kule migaqo okanye kwizibophelelo zenkonzo ethengiweyo kufuneka lunxibelelwe ngokwexesha lesaziso elifunwa yi-odolo esebenzayo okanye ukwahluka kwelizwe.

10. Ukunqunyanyiswa

Eregis inokunqumamisa ukufikelela kwiinkonzo, iimpawu, uhlanganiso, Data Rooms, Agents, ukuthumela, ukufumana, ukusayina, iimpawu ezinxulumene nentlawulo, okanye ukufikelela kwi-API apho kufanelekile ngokusengqiqweni ukujongana nokungahlawuli, umngcipheko wokhuseleko, ukusetyenziswa gwenxa okukrokrelwayo, umngcipheko womthetho, isithintelo somboneleli, ukuthembeka kwenkonzo, okanye ukwaphulwa kwale migaqo.

Apho kunokwenzeka kwaye kusemthethweni, Eregis iza kunika isaziso nethuba lokulungisa umba. Ukunqunyanyiswa kwangoko kungasebenza ngenxa yezizathu ezingxamisekileyo zokhuseleko, zomthetho, zokusetyenziswa gwenxa, zomboneleli, okanye zokuthembeka kweplatform.

11. Ixesha, ukupheliswa, ukukhutshwa kwedatha nokucinywa

Le migaqo iqala xa umthengi eyamkela, esayina iodolo, eqala ukusebenzisa iinkonzo, okanye esebenzisa iinkonzo ngomthengisi ogunyazisiweyo okanye iqabane. Iyaqhubeka de ipheliswe okanye ithathelwe indawo.

Naliphi na iqela linokuphelisa ngokwe-odolo esebenzayo, isivumelwano somthengisi, ukwahluka kwelizwe, okanye umthetho onyanzelisayo. Eregis inokuphelisa ngenxa yokwaphulwa okubalulekileyo, ukungahlawuli, ukusetyenziswa okungekho mthethweni, umngcipheko wokhuseleko, isithintelo somboneleli, umngcipheko wokungakwazi ukuhlawula, okanye ukupheliswa kokufumaneka kwenkonzo apho kuvunyelwa ngumthetho.

Emva kokupheliswa, ilungelo lomthengi lokusebenzisa iinkonzo liyaphela. Ukukhutshwa kwedatha, ukugcinwa, ukucinywa, uncendo lotshintsho, ukuphathwa kwe-backup, ukufikelela kwi-Data Room, ukufikelela kwiziphumo ze-Agent, kunye neemfuno zeerekhodi zomthetho zilawulwa yi-odolo esebenzayo, imigaqo yokusetyenzwa kwedatha, kunye nokwahluka kwelizwe.

Abathengi basala benoxanduva lokukhupha nokugcina iikopi zezaziso, amaxwebhu, ii-invoyisi, iirekhodi, kunye neengxelo ezifunekayo kwizibophelelo zabo zomthetho, zerhafu, ze-accounting, okanye

zokusebenza.

Iikhredithi zeakhawunti, iikhredithi zenkonzo, kunye neekhredithi zokusetyenziswa kwesoftware aziyomali ngaphandle kokuba iodolo ichaza ngokucacileyo indlela esemthethweni yokubuyiselwa kwemali. Ukulungiswa kwerhafu kungaphathwa ngokwahlukeneyo kwiikhredithi zenkonzo.
